

## ACCOMMODATIONS FOR WORKSHOPS

We maintain housing for the students at the Cheshire Mills Boardinghouse, and recommend you stay there if possible. It accommodates nine students and is offered on a first come first serve basis. The Cheshire Mills Boardinghouse was built in 1850 to house the migrant weavers working at the Cheshire Mills. Located on the third floor of the building, it is situated in the center of the village and is just a three minute walk from the Knitting and Weaving Center. The lovely relaxed atmosphere and the companionship of others who share your interests and affordability make it a favorite of our students. There are three single rooms with a twin bed, and three double rooms with two twin beds, a full kitchen where students can make meals, two shared bathrooms and a large dining and sitting area. There is air conditioning in the main dining and sitting area.

The Boardinghouse rates are: \$35.00 per night for a bed in a double room, and \$45.00 per night for a single room with an additional 9% state tax applied. Bring your own bed linens or sleeping bag, towel, alarm clock, flashlight, toiletries and any food you may need. Photographs of the Cheshire Mills Boardinghouse are available in the gallery section of our website: [www.harrisville.com](http://www.harrisville.com). For a modest fee, you may request a set of linens and towels for your stay.

Should our boardinghouse be filled or inconvenient for you, here is a list of alternatives. You are responsible for making your own reservations. Since we do not have personal experience, Harrisville Designs does not make endorsements or recommendations for the following accommodations. Here is a list for your convenience.
